

Bedford Drive Primary School

Attendance Matters

Recognising Great Attendance

2021/22

*'Attend Today, Achieve Tomorrow'*

At Bedford Drive Primary School we want to celebrate attendance that is 97% or above and have therefore implemented the following Rewards:

- At the end of each term each child with attendance of 97% and above is rewarded with a certificate.
- Each Friday the children have the chance to win £5 in our "Five for Five" reward; if your child attends for five-full days they are entered into a raffle for an opportunity to win £5, which is awarded to them in our assembly.
- Each classroom at Bedford Drive has an "Attendance Monitor" on display, which shows weekly attendance for your child's class. Gold Awards are given daily to classes with 100% attendance.
